## **Upper School Math Teacher and Advisor (Full Time)**

**August 2021**

### **Reports to Upper School Division Head**

Marin Country Day School seeks a gifted educator who is passionate about teaching mathematics to middle school students using a rich and rigorous curriculum. We seek an educator with a demonstrated background and or interest in cultural competency, curriculum development, technology integration and environmental sustainability. Also, we seek an educator with the belief in teaching with the interests of the whole child in mind. Our approach and philosophy center around collaboration, thoughtful innovation, team building and leveraging diverse and multiple perspectives. This staff will need to be prepared to work both on campus and remotely, depending on county and state directives.

### **About Marin Country Day School**

MCDS School is an independent, K-8, co-educational day school enrolling approximately 590 students from across the Bay area, drawing equally from San Francisco and Marin.

**Our mission at MCDS is to create an inclusive community of learning that inspires curiosity, empathy, and action.**

We actively seek diversity in our administration, faculty and student body. As a school, we affirm that human diversity includes, but is not limited to: age, family structure, gender, gender identity and expression, race, ethnicity, national origin, religion, sexual orientation, socioeconomic class, physical ability, and learning style. As our Statement of Community and Inclusion indicates, "Ours is a Community that would be uncomfortable without diversity and, therefore, has been intentional about creating and nurturing a diverse group of adults and children who share the core values of respect, responsibility and compassion."

At MCDS, every employee is integral in creating a learning community in which all seek to improve as practitioners, learners and team members, and we support our outstanding faculty and professional staff through our strong professional development program.
